ARTISAN CRAFTED

FAUCET & ACCESSORIES

KÄSCH is a multi-award winning company that defines what it means to specialize in luxurious sanitaryware. We step beyond our origin in Germany, and fully assert ourselves as a true global manufacturer by creating our own, as well as selecting only the best suppliers for natural stone composite. Established in 1994, KÄSCH houses experts with more than 20 years of experience to monitor every detail as each bathware is meticulously handcrafted. Each piece is unique, and no machinery could ever compromise our fine craftsmanship.

ARTISAN CRAFTED BY KÄSCH

At NERO by KÄSCH, we're dedicated to creating stylish and high-quality bathroom wares that stand the test of time. Our commitment to excellence is reflected in every aspect of our business, from our stringent quality control measures to our innovative designs.

Quality is at the heart of everything we do. We use only the finest materials and the latest manufacturing techniques to ensure that every product we create is of the highest quality.

Innovation is key to our success. We're constantly pushing the boundaries of what's possible in bathroom design, creating products that are not only visually stunning but also practical and user-friendly. And provide up to 9 different stunning colours for choice.

Sustainability is a core value of our brand. We're committed to reducing our environmental impact and creating products that are eco-friendly and sustainable. We're always looking for ways to make a positive difference.

Service is our top priority. Our professional and friendly customer service team committed to providing you with the best possible experience.

At NERO by KÄSCH, we believe that a beautiful bathroom is essential to a happy and healthy life. That's why we're passionate about creating products that not only look great but also stand up to the rigours of everyday use. We invite you to explore our range and discover the perfect products for your bathroom today.

Air Shower II

This new Air Shower II is going to completely transform the way you look at showering.

Our product development team have redesigned the shower nozzles with 4 times as many holes compared to the first generation for an even more delicate splash and lighter, airier feel.

Hand-held Air shower II has 76 nodules, each with 4 holes, hence providing you with the ultimate showering experience. Air Shower II also comes with increased functionality with the inclusion of superior decontamination. Forget the worries of clogging outlet holes due to water quality problems as you can get rid of residual deposits at a touch of a button.

This provides you with the same luxurious feel from the first time you experience it until the last.
